How does knowing we live in a love story amidst a war change the way we live?

Every moment of every day has deep and eternal meaning because we are fighting against evil in ourselves and others by loving God and loving people

How does knowing we
live in a love story
amidst a war change
the way we live?

Changes the way
we spend our time

Changes the way we
spend our money

IT CHANGES EVERYTHING

How does knowing we
live in a love story
amidst a war change
the way we live?

Every moment of every day has deep and eternal meaning
because we are fighting against evil in ourselves and others by
loving God and loving people

We see every moment as
deeply meaningful and
eternally significant

We spend our money to
help love others

We make time to serve

Igniting^{the} Kingdom Life

This is the message you heard from the beginning: We should love one another. . . This is how we know what love is: Jesus Christ laid down his life for us. And we ought to lay down our lives for our brothers. If anyone has material possessions and sees his brother in need but has no pity on him, how can the love of God be in him? Dear children, let us not love with words or tongue but with actions and in truth

1 John 3:11,16-18
